## ***FALL IS HERE***

While teams are focused on competing across the country and heading into conference play, the Union Home Mortgage Gasparilla Bowl remains focused on utilizing football as the conduit to making an impact in our community. Yes, we want to attract the best teams possible and host capacity crowds at Raymond James Stadium each December. Still, we first want to connect with our corporate partners, build new relationships, and form programs that support our nonprofit community partners.

This fall, we proudly participated in the Extra Yard for Teachers Week by surprising a deserving Hillsborough County Public Schools teacher, Benigno Lopez of York Innovation Academy. Teachers lay the foundation for our youth, and the Gasparilla Bowl is proud to partner with the College Football Playoff Foundation to ensure these great educators are honored for their dedication to building a better tomorrow. We invite you to read more about Mr. Lopez's accomplishments in this month's newsletter.

Next month, the Union Home Mortgage Gasparilla Bowl and Tampa Bay Waterkeeper will team up for our inaugural Inshore Slam Fishing Tournament. So much of our community and local culture is centered upon our waters, creating the perfect opportunity for fun for our corporate partners and local anglers.

With the college football season underway, game tickets will go on sale in early November, and sponsorship opportunities are still available. We take great pride in our Community Packages. Companies can expand their brands, utilize game tickets, and attend hospitality functions. Sponsors can also support local youth and military by funding tickets to allow these groups to enjoy the game on the company's behalf. If you would like to learn more about becoming a supporter of our Gasparilla Bowl Gives Back program, please contact us to discuss the opportunities available.

All the best this fall, and we look forward to the coming months as Bowl Season approaches.

# COMMUNITY FOCUS

## EXTRA YARD FOR TEACHERS

Last month, The Union Home Mortgage Gasparilla Bowl was proud to join the CFP Foundation Extra Yard for Teachers in honoring the remarkable teachers making a difference in the Tampa Bay Community. Hillsborough County Public Schools educator Benigno Lopez was recognized for serving his community over the past 28 years of teaching in Florida. He also supports underserved students by developing free sports programs, outreach, and mentoring initiatives through his non-profit, Life Coach 180. Benigno received a Gasparilla Bowl game ball and a \$1,000 gift certificate. He will also join us on Friday, December 23, at Raymond James Stadium, where he'll be recognized, along with all teachers who impact our community.
